

## THERESA OLESEN PORTRAITS

Theresa Olesen is a multi award winning portrait photographer, specialising in portraits of all ages from newborn to adult.

Tailor make your own portrait session with Theresa. You can do a session just for you or your child, or bring family members and do a mix of individual portraits as well as family portraits.

Professional hair and makeup is part of all sessions, and best thing is, there is no time limit to the session.

Theresa's boutique studio is located in Bukit Timah and fully equipped with more than 30 dresses for women (pregnant and non-pregnant) and 60+ dresses for girls all ages. Plus a big selection of newborn outfits and props. It is free to borrow any of them during your session.

### Pre-session Consultation

Complementary consultation at the studio or over the phone where we go through your session and what kind of portraits you would like. Tell me what style you like and who is coming for the session so I can prepare everything for your session.

### Portrait Session

Your portrait session have no time limit and you can bring anyone you would like for your session. How about doing a mix of family pictures and women's beauty. You decide, it is your shoot.

### Viewing and Ordering

About two weeks after your session you are invited back to my studio to see your final gallery of 20 Beautifully edited and printed pictures. You can then order the package and wall art you would like. There is no hard sell. You only buy what you want - There is no minimum spend.
